---

### Professional Summary

A dedicated and highly experienced veterinary surgeon with over 12 years of expertise in small animal care, emergency medicine, and preventative health. Passionate about providing compassionate, evidence-based treatment for pets while building trusting relationships with clients. Recognized for excellence in veterinary medicine, leadership in animal welfare, and commitment to continuous learning.

### Education

#### Royal Veterinary College, University of London

*Bachelor of Veterinary Medicine (BVetMed), First-Class Honours*

*Graduated: 2012*

#### Additional Certifications:

- Certificate in Small Animal Surgery (2017)
- Advanced Canine & Feline Dentistry Certification (2019)

### Professional Experience

#### Senior Veterinary Surgeon

**Pawson & Co. Veterinary Clinic | London, UK | 2018 – Present**

- Lead a team of veterinarians and veterinary nurses in a busy, multi-specialty practice.
- Provide expert care in diagnostics, surgery, and preventative medicine for companion animals.
- Developed a successful pet wellness program that increased early disease detection by 40%.
- Mentored junior veterinarians and veterinary nurses, enhancing team knowledge and efficiency.
- Specialized in minimally invasive surgical techniques, reducing recovery times for patients.

#### Veterinary Surgeon

**Greenwood Animal Hospital | Manchester, UK | 2012 – 2018**

- Diagnosed and treated a wide range of medical conditions in small animals.
- Performed over 1,000 successful surgeries, including orthopedic and soft tissue procedures.
- Spearheaded an initiative to improve pain management protocols, enhancing patient recovery rates.
- Assisted in the development of an in-house training program for new veterinary graduates.

### Awards & Recognitions

- 🏆 **Veterinary Excellence Award** – British Veterinary Association (2021)
- 🏆 **Outstanding Contribution to Animal Welfare** – RSPCA (2019)
- 🏆 **Best Small Animal Veterinarian – London Region** – UK Pet Care Awards (2018)

### Key Accomplishments

- ✓ Implemented a telemedicine consultation service, expanding clinic accessibility for pet owners.
- ✓ Successfully rehabilitated over 500 injured or abandoned pets through collaboration with local rescue centers.
- ✓ Featured in *The Guardian* for innovative approaches to feline stress management in clinical settings.

### Volunteer Work

- 🐾 **Lead Veterinary Consultant** – Wildlife Rescue UK (2015 – Present)
  - Provide emergency treatment and rehabilitation care for injured wildlife, including foxes and hedgehogs.
- 🐾 **Volunteer Vet** – Paws for Hope (2016 – Present)
  - Offer free veterinary care to pets of homeless individuals in London, ensuring their well-being.
- 🐾 **Speaker & Educator** – Schools & Community Pet Care Workshops
  - Educate children and communities about responsible pet ownership and animal welfare.
